

SATS NAMED BEST AIR CARGO TERMINAL OPERATOR IN ASIA FOR THE 10th TIME

Singapore, 4 May 2006 : Singapore Airport Terminal Services Limited (SATS) has been named the best air cargo terminal operator in Asia in the 2006 Asian Freight & Supply Chain Awards (AFSCA).

This is the 10th time that SATS has won the prestigious award, given to an air cargo terminal operator that receives the most number of votes from more than 12,500 senior cargo industry professionals in the Asia Pacific. They were asked to select organizations in different industry-specific categories for demonstrating, among other attributes, consistency in service, continuous innovation and customer relationship management.

SATS Vice President (Cargo), Mr Yacoob Piperdi, received the award on behalf of SATS at the AFSCA gala dinner in Kuala Lumpur last week. He said: "We are proud to win this award and we are grateful to our employees for making this possible. We wish to thank our partners and customers for their unstinting support. SATS will strive to further improve on its products and services in its desire to excel and consistently exceed the expectations of the air freight community."

The Asian Freight & Supply Chain Awards are organized by Cargonews Asia. The AFSCAs are widely regarded as the most authoritative and prestigious awards for the industry in Asia and one of the highlights of the Asian freight industry calendar.
