## WES GENERAL TERMS AND CONDITIONS OF SALE

#### Article 1 - PURPOSE AND SCOPE

The purpose of the present General Terms and Conditions is to govern the contractual relations between an Instructing Party and WFS, with regards to any undertaking or transaction pertaining but not limited to ramp services, cargo and mail services, support services and any other logistic services provided by WFS. The General Terms and Conditions prevail over any other general or special terms and conditions is sued by the Instructing Party. Where special terms and conditions are agreed with the Instructing Party, and unless otherwise provided, also the General Terms and Conditions are applicable.

#### Article 2 - PERFORMANCE OF THE SERVICES

The Instructing Party shall issue all necessary instructions in due course to WFS for the performance of ramp services, cargo and mail services, support services, and any other logistic services. Unless otherwise agreed between the parties, WFS is not required to verify documents (commercial invoice, packing note, etc.) provided by the Instructing Party. Any delivery-specific instruction (payment on delivery, declaration of value or insurance, special interest in delivery, etc.) shall be made in writing in a duplicated order for each service and shall be expressly approved by WFS.

#### Article 3 - OBLIGATIONS OF THE INSTRUCTING PARTY

Declaratory Obligations: The Instructing Party shall be solely liable for all the consequences resulting from any failure to perform the duty of information and declaration regarding the specific nature and the specificity of the goods where the latter require specific provisions, including their value and/or any covetousness they may cause, as well as their dangerousness or fragility. The Instructing Party shall be solely liable, with no right of redress against WFS, for any consequences resulting from erroneous, incomplete, unenflocable or delayed declarations or documents, including but not limited to the information needed for the provision of any declaration required by customs regulations, notably for the transportation of goods shipped from third countries.
