

Ts

Trucking Services

Our Product Offering

Leveraging our extensive network, SATS and WFS deliver dependable, high-performance Trucking Solutions that seamlessly connect Airports and Offline Stations. Whether you are an airline or a non-airline customer, we help move your cargo swiftly and securely with the added benefit of online tracking at MAWB level throughout the journey.

Our comprehensive trucking services include:

Airport-to-Airport Transfers

Expert Loading & Unloading

Full Truckload & Less Than Truckload

Cross-Border Trucking across Key Regions

1st / 2nd Line Airport Shuttle

Specialised Handling – Hazardous Materials, Temperature-Controlled Cargo, High-Value Shipments, & Priority Freight

Direct Delivery to/from Freight Forwarder Warehouses or distribution centres

Our Value Proposition

We streamline logistics by consolidating gateway services, enabling Freight Forwarders to:

- Optimise resource utilisation
- Reduce operational touchpoints
- Simplify complex logistics workflows
- Track & Trace capabilities at Flight Number / MAWB level

Your Benefits

- **Seamless Coordination**
across multiple stakeholders and service providers
- **Real-time Visibility**
on MAWB level
- **Full Transparency**
for smarter, faster decision-making
